Dear Ms Molinarolo:

Furniture Outfitters of Grand Rapids LOVES The Dave Ramsey Show! Having just renewed for our second year of sponsoring The Dave Ramsey Show here in Grand Rapids- my partner and I want to let you know you have a happy client!

We've run our business by many of the principles that Dave espouses in the show and this same conservative approach has helped us to weather many storms in our three year history. But the great thing about Dave's listeners is they already understand what we're trying to do with our operation. They know we need to make a profit, but understand we're doing the absolute best to take care of our clients while doing so! The show draws exactly the type of people we want in our store!

So, please keep Dave smiling and talking on the radio, we'll be there with you!

Sincerely

Scott Voigt, Partner
