Dear Dave and Friends at The Dave Ramsey Show:

From time to time I feel that I would like to express to you how invaluable you are to my business. Dave's support and endorsement gave me the courage to start my own business three years ago. Even though we've experienced our share of struggles and growing pains, the business has steadily grown (even in these tough economic times) and we are looking forward to another fantastic year.

As you know our relationship goes back to 1995 when I managed a similar business. I was well aware of the value of Dave's recommendation to those businesses fortunate enough to receive it. Advertising on The Dave Ramsey Show with Dave's personal endorsement has given me a steady customer base and a general quality of customer I must comment on. The customers I receive from the show are honest, loyal and display a tremendous degree of integrity. They are a delight to work with and I am truly blessed.

It's impossible for me to comment on other types of advertising because really I've not ever felt the need to try anything else. Dave's recommendation is the foundation on which I've built my business and it has- and no doubt will continue- to produce everything I've expected and more. I consider myself a lifelong advertiser.

Thank you for your wonderful work and I look forward to our continued relationship.

Sincerely,

Randy Barker, President
