To The Dave Ramsey Show,

I am the general manager of Renewal by Anderson in Grand Rapids, Michigan, and I handle all of our marketing. This will be our second year, and I really feel that Dave adds a lot of credibility to our product offerings. I am very happy with our current results.

I personally believe that many more people listen to Dave other than those in financial trouble. I for one listen every day. Partnering up with Dave will hopefully continue to add a degree of safeness and security to those who are thinking of calling.

Thanks for all you guys do,

Joey DeMicco
