

## **UNITED DYNAMICS, INC.**

***"SOLID AS A ROCK"***

Dear Dave and staff,

United Dynamics came on the air as an endorsed advertiser in April, 2007. Although it's only been a little over a year, we are absolutely thrilled with the turn out! Dave has a very loyal following. People trust Dave and believe he has their best interest at heart. And Dave's credibility with his listeners really enhances the credibility of United Dynamics, Inc. as well.

The goal of any advertising program is to increase business. Dave really helps with this through his reputation and integrity! United Dynamics, Inc. tracks the referral source of each lead, and many of our clients have mentioned that they heard our ad featuring Dave Ramsey. So, we know Dave's endorsement is having a huge influence!

Thank you, Dave!
