The Dave Ramsey Show
1749 Mallory Lane
Suite 100

Dear Sirs:

Our connection with The Dave Ramsey Group has been such a positive experience for our company and staff.

Professionally, we have had our management team attend two of Dave's seminars and played a sponsorship role in each. We have hired many part-time employees as a result of the seminars and radio advertising. Dave's basic Christian values and applications with money apply so easily in our business. We are honored to be a part of the supporters of Dave Ramsey.

The managers of our seven locations understand that by having honest values and practical business applications of those values, they can each be more profitable. When they have employed people referred by Dave's program, the experience has almost always been a positive one.

Personally, we have applied Dave's financial principles and it has changed our lives. We learned of Dave only three years ago and are now debt free with the exception of our homes and business debt.

Dave and his wife Sharon are amazing examples of financial peace in action. They are ordinary people doing extraordinary things to change lives. What a gift they have been to us.

Kindest regards,

Jim and Gail Gerety
