

DAVE RAMSEY INTRODUCES THE LEGACY JOURNEY

A much anticipated follow up to Financial Peace University

Nashville, Tenn. -- *New York Times* best-selling author and nationally syndicated radio show host, Dave Ramsey, is introducing a new program, The Legacy Journey. The Legacy Journey is a 7-week course taught on DVD by Ramsey that shows families and individuals what to do once they have control of their finances, and helps them navigate their way through building wealth so they are able to leave a lasting legacy. The Legacy Journey is a follow-up class to Ramsey's extremely popular course, Financial Peace University (FPU).

More than 2 million families have changed the way they handle their finances through FPU. The Legacy Journey helps those families build on their existing foundation. By taking a deeper look at what the Bible says about wealth and personal finance, families learn how to create a lasting financial impact on themselves, their families and others.

"To leave a legacy behind, you have to live a legacy now," says Ramsey. "The Legacy Journey equips you with the tools for managing your resources wisely and living a generous life."

Each week a different lesson is taught by Dave on DVD. Following the lesson, there is small group discussion that helps lead class members through the program. Lesson topics include:

- Debunking myths about wealth and stewardship
- Investing wisely
- Contentment
- Living with a purpose
- How to live so you can leave a legacy
- Successful estate planning and generational wealth

The Legacy Journey lessons also include guest speakers Rachel Cruze, speaker and daughter of Dave Ramsey; Jon Acuff, author of *Wall Street Journal* best-seller *Quarter* and popular blog *Stuff Christians Like*; and Chris Hogan, counselor and speaker for the Dave Ramsey organization.

Each participant needs a kit. Included in the cost of the kit are a member workbook, Legacy Box, DISC Profile kit and access to an online will. For more information about The Legacy Journey, or to find a class in your area, go to www.daveramsey.com.
