**DAVE RAMSEY TEACHES BUSINESS LEADERS THE ART OF
ENTRELEADERSHIP**

NASHVILLE, Tenn. Radio talk show host and best-selling author Dave Ramsey presents his ground-breaking EntreLeadership event specifically designed for small business owners and leaders June 4 to 7, 2006 and December 3 to 6, 2006 in Nashville, Tenn. EntreLeadership is the blending of the entrepreneurial spirit with the foundations of leadership for success.

"I've learned the hard way how to create and grow a successful business by living it," said Dave Ramsey. "Entreleadership teaches small business leaders the key elements I've learned and applied as I've grown my company from a card table in my living room to more than 150 team members."

Ramsey started his company, The Lampo Group Inc., thirteen years ago to simply provide financial advice and counseling. Today, with a nationally syndicated radio program, three New York Times best-sellers, and more than 150 employees, Ramsey is operating both profitably and debt-free. "We continue to break the rules. Every time someone said 'It can't be done,' we've proven them wrong," Ramsey said.

EntreLeadership is the compilation of Ramsey's experience and training as both a small business owner and leader. Topics such as team unity, communication, building loyalty, vendor relations, negotiating contracts and non-traditional marketing will be covered during the three-day training. Supplemental training will also be provided by attorney Norm Rollins and CFP Jeff Dobyns, both endorsed by Ramsey.

"These are the areas many small business owners and leaders need to know more about," said Ramsey. "By learning how to run a company and a team more effectively, they will be more effective long-term."
