**Dave Ramsey's New Bible Study for Teens -
Generation Change - Shows Youth Groups How Money Really Works**

NASHVILLE, Tenn. Nationally syndicated talk show host and best-selling author, Dave Ramsey, is releasing Generation Change -- a brand new, four-part series that shows teens how money really works, how God views money, and how to grow into responsible young adults who are ready to embrace all of God's blessings.

In this entertaining, informative Bible study, teens learn to realize their value through God's eyes and learn that no amount of stuff can change their self-worth. They will see the dangers of debt from credit cards to car payments, the importance of saving money and paying cash for what they want, and most importantly how a lifestyle of generous giving can change the world around them forever.

We are raising a generation that spends money they don't have to buy things they don't need to impress people they don't even like! Generation Change gives teens the tools they need to win with money and avoid the mistakes their parents have made, said Ramsey.

Every day, our youth are bombarded with a million different voices everything from billboards to internet ads telling them who they are and measuring their worth by what they have. The pressure to be accepted in today's stuff-centered world drives them, and perhaps even their parents, to throw money away on things that don't matter all in an attempt to be somebody.

Host, Rachel Ramsey, leads teens as they learn through peer testimonies, celebrity encouragement (Toby Mac, Michael W. Smith, and Jason and Daniel of Hawk Nelson), and Dave's exciting teaching style. Teens will see how God's and Grandmas ways of handling money can empower them to become a generation of change!

The Generation Change leadership kit includes the DVD boxed set, leaders guide, eight t-shirts, eight pledge cards, and eight student journals for \$169. Additional materials are easily accessible for larger youth groups.
