About Dave Ramsey

Dave Ramsey is a personal money management expert, an extremely popular national radio personality and best-selling author of *The Total Money Makeover*. In his latest book, a follow-up of his enormously successful New York Times best-sellers *Financial Peace* and *More Than Enough*, Ramsey exemplifies his life's work of teaching others how to be financially responsible, so they can acquire enough wealth to take care of loved ones, live prosperously into old age, and give generously to others. Ramsey knows first-hand what financial peace means in his own life living a true riches to rags to riches story. By age twenty-six he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and now devotes himself full-time to helping ordinary people understand the forces behind their financial distress and how to set things right financially, emotionally, and spiritually.
