EveryDollar gives users the ability to:

- Set a monthly budget that is easy to understand and to stick to.
- Seamlessly track expenses, income and savings, either through EveryDollar.com or on-the-go with the EveryDollar mobile app.

“The goal of a budget is to assign every single dollar a name, on purpose, before the month begins,” said Ramsey. “When you know where your money is going, you have control over it instead of it controlling you.
