

## FOR IMMEDIATE RELEASE

September 29, 2015

### RAMSEY PRESS BEGINS PRE-SALES OF NEW BOOK BY CHRIS HOGAN

#### Financial Expert Redefines Retirement in His Book *Retire Inspired*

NASHVILLE, Tenn. – *Retire Inspired*, published by Ramsey Press and authored by financial expert and speaker Chris Hogan, is now available for preorder. In his new book, Hogan changes the way people view saving for retirement and equips them with the knowledge and know-how to properly prepare for long-term financial success. *Retire Inspired* (ISBN: 978-1-9370-7781-5) will release January 11, 2016, and retail for \$24.99.

“Everyday more people reach retirement age with little savings, no plan and lots of regret, and that’s not okay,” says Hogan. “But retirement isn’t an age; it’s a financial number – the amount of money you need to live during your retirement years. By equipping people with the tools and information to take control of their retirement planning, they’ll be able to determine their financial number and take the proper steps to reach this goal.”

Throughout *Retire Inspired* Hogan breaks down the many aspects of retirement and gives simple, straightforward advice and explanations. He addresses everything from how debt and budgeting affect your retirement to the more complex issues like investing vehicles and the stock market. Hogan also includes practical steps for people at each age and speaks to why it’s critical to start preparing, no matter your age or financial situation.

For more than a decade, Hogan has served on Dave Ramsey’s team as a trusted financial coach and sought-after speaker. He travels the country helping people develop successful strategies to manage their money and reach their retirement goals. Hogan also works with high-profile clients, including business leaders, professional athletes and entertainers, to help them generate revenue, protect their wealth, and secure their financial futures.

Those who preorder *Retire Inspired* will also receive more than \$70 in free bonus items. For more information about Chris Hogan or *Retire Inspired*, visit [www.retireinspiredbook.com](http://www.retireinspiredbook.com).
