**THE DAVE RAMSEY SHOW ON FOX BUSINESS NETWORK PREMIERES
MONDAY, OCTOBER 15 IN PRIMETIME**

NASHVILLE, Tenn. Nationally syndicated radio talk show host and best-selling author, Dave Ramsey, can add television to his resume. Monday, October 15 at 8p.m. ET marks the debut of "The Dave Ramsey Show" on Fox Business Network. Contact the local cable provider or visit www.daveramsey.com to find the closest station carrying FBN. DirecTV will carry the network nationwide on channel 359.

"Just like on the radio, the show will be about life and how it happens to revolve around money," said Bill Hampton, executive vice president of Ramsey's broadcasting efforts. "Television gives us a great vehicle to help more people and give them hope for their financial future."

Much like Ramsey's radio program, his television show will include calls and e-mails from viewers with questions about life and money. The show will also include videos of "Plasectomies" (creative destruction of credit cards) and people celebrating their debt freedom by screaming, "I'm debt free!" To ask Ramsey a question, call 1-888-825-5225 or send an e-mail to daveonair@daveramsey.com.

About Dave Ramsey

Dave Ramsey is a personal money management expert and best-selling author of *The Total Money Makeover*, *Financial Peace* and *More Than Enough*. Ramsey knows first-hand what financial peace means in his own life living a true rags-to-riches-to-rags-to-riches story. By age twenty-six he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and now devotes himself full-time to helping ordinary people understand the forces behind their financial distress and how to set things right financially, emotionally, and spiritually.

About FBN:

Owned by News Corp., FOX News, headed by Chairman and CEO Roger Ailes, operates the FOX Business Network (FBN), FOX News Channel (FNC), FOX News Radio, Foxnews.com, while producing FOX News Sunday, The Radio Factor and FOX News Edge. FNC has been the number one cable news channel for five years running and is available in more than 90 million homes in the United States and 108 countries internationally.
